

Board of Directors Interest Form

Our Vision

Lives made better!

Our Mission

Guided by evidence-based practice, we maximize life success for people facing developmental, social and behavioral challenges.

The Summit Center has two Boards of Directors:

1. The **Operating Board** establishes The Summit Center's mission and goals, including the development and periodic revision of a strategic plan, monitors the satisfaction levels of stakeholders (students, their families, staff, referring entities, and community), and approves and ratifies the annual budget.
2. The **Foundation Board** helps to maintain the long-term stability of The Summit Center by ensuring the agency has sufficient unrestricted assets. Board members promote and participate in fundraising activities and manage and monitor investments.
