Making lives better, one brick at a time

Summit's Commemorative Walkway is an opportunity for you to offer a visible, lasting tribute to your child, a teacher, parent, grandparent, or special friend.

When you dedicate an engraved brick, you are maximizing the tremendous potential of children with autism. Your tribute brick helps ensure that The Summit Center can provide exceptional programs and services for individuals with developmental disabilities.

Your donation will be recognized with a certificate that you can present to your honoree. As an added benefit, your brick purchase is 100% tax-deductible.

Order today to reserve an engraved paver or brick that will be installed as soon as the weather permits.
