What We Work On

Where We Are

Life Skills Development

Building the social and practical skillsets required to be an active and fully engaged member of the community.

Volunteerism

Demonstrating our value as community partners, our ability to work to build a better world, and expanding our circle of support.

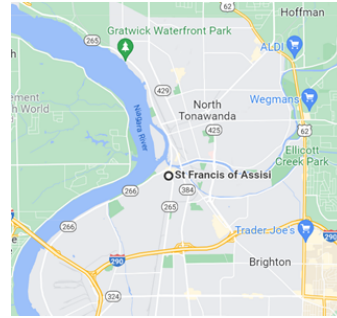

Career Exploration

Exploring employment preferences through exposure to different job types, setting the foundation for future pre-vocational programs.

Independent Leisure Skills

Discovering recreational activities that increase independence and self-calming abilities.
